Skills Training Australia is committed to providing an effective, efficient, timely, fair and confidential academic grievance and non-academic grievances handling procedures for all students.

The General Manager - Operations is responsible for implementation of this policy and procedure and ensuring that all staff is fully trained in its operation and students and complainants are made aware of its availability.

Procedure:

Informal Grievance Procedure
Skills Training Australia recommends students speak to their Trainer/Assessor in the first instance to resolve any issues of concern. If a satisfactory outcome cannot be reached, the student can then approach the staff member responsible for the qualification.

If no resolution can be reached, the students have the option to lodge a formal grievance.

Formal Grievance Procedure
General principles applying to all stages of this grievance procedure which will be adhered to by Skills Training Australia are:

- The complainant and respondent will have the opportunity to present their case at each stage of the procedure.
- The complainant and the respondent have the option of being accompanied/assisted by a third person (such as a family member, friend or counsellor) if they so desire.
The complainant and the respondent will not be discriminated against or victimised.

At all stages of the process, discussions relating to complaints, grievances and appeals will be recorded in writing. Reasons and a full explanation in writing for decisions and actions taken as part of this procedure will be provided to the complainant and/or the respondent.

Records of all grievances will be kept for a period of five years. These records will be kept strictly confidential and stored within the office of the General Manager - Operations.

The complainant shall have appropriate access to these records.

The Quality and Administration Manager is responsible for maintaining/updating the complaints register.

A complainant shall have access to this internal grievance procedure without charge.

A complainant may contact Skills Training Australia and speak with the relevant Training Manager for progress updates at any time. Should the Training Manager be unavailable, the Quality and Administration Manager will be available to discuss any matter relating to the progress complaint.

Stage One – Formal Complaint
Formal grievances should be submitted in writing to the relevant Training Manager of Skills Training Australia.

The complainant will receive notification in writing of acknowledgement of the receipt of the complaint within three business days.

The Training Manager within Skills Training Australia will then assess the grievance, determine the outcome and advise the complainant in writing of his/her decision within 10 working days of receipt of the formal grievance.

The complainant will be advised of his/her right to access Stage Two of this procedure if he/she is not satisfied with the outcome of Stage One.

Stage Two – Internal Review
If the complainant is dissatisfied with the outcome of Stage One they may lodge an appeal in writing with the General Manager - Operations.

The complainant’s appeal will be determined by the General Manager - Operations of Skills Training Australia (the reviewer).

The reviewer will conduct all necessary consultations with the complainant and other relevant persons and make a determination of the appeal. The complainant will be advised in writing of the outcome of their appeal, including the reasons for the decision, within 10 working days of receipt of the appeal.

Should a decision not be reached within 10 working days, the complainant will be advised in writing of all matters relating to the progression of the appeal.

The complainant will be advised in writing of his/her right to progress to Stage Three of the grievance procedure if he/she considers the matter unresolved.
Stage Three – External Appeal

If the complainant is dissatisfied with the outcome of Stage Two he/she may request that the matter be referred to an external dispute resolution process by a body appointed for this purpose by Skills Training Australia.

The costs of external mediation will be shared between Skills Training Australia and the complainant.

The contact details for the external body are:
Resolution Institute *(Combining LEADR & IAMA)*
Level 1 and 2

Resolution Institute’s mediation clause states:

- In the event of a dispute arising both parties shall first meet and attempt to resolve the issues of concern by means of discussion and personal negotiation. If this process does not resolve the issues, they shall refer the matter to mediation.

- The parties must endeavour to settle any dispute by way of mediation. Such mediation would be conducted by a mediator who is independent of both parties and appointed by agreement of the parties or, failing agreement within 7 days of receiving any party’s notice of dispute, by a person appointed by the Chair of Resolution Institute or the Chair’s designated representative.

Skills Training Australia will give due consideration to any recommendations arising from the external review within 10 working days of receipt of the external body’s report. The recommendations will be presented to Executive Management for consideration. An action plan will be put in place by Executive Management for the rectification of the matter in conjunction with Resolution Institute’s recommendations and applicable timeframes. Finalisation of the matter will be reported as required.

Should matters not be resolved after Resolution Institute’s intervention then students have the right to contact the Victorian Civil & Administrative Tribunal:

**Note:** if more than 60 days is required to finalise the issue, Skills Training Australia will keep the complainant informed in writing and provide further regular updates in writing.
