Many problems can be resolved by the Trainer/Assessor on the spot and the Trainer/Assessor can give the student information which clears up the problem.

B: For other informal complaints, the student must raise the matter with the Student Support Officer.

If the student is not satisfied with the response or the matter is more serious, the student has the option to lodge a formal grievance.

Formal Grievance/Appeal Guidelines

General principles applying to all stages of the grievance/appeals procedure:

- The complainant and respondent will have the opportunity to present their case at each stage of the procedure.
- At all meetings the student has the option of being accompanied/assisted by a support person if he/she so desires (at the student’s cost).
- The complainant and the respondent will not be discriminated against or victimised.
- At all stages of the process, discussions relating to complaints, grievances and appeals will be recorded in writing. Reasons and a full explanation in writing for decisions and actions taken as part of this procedure will be provided to the complainant and/or the respondent.
- Records of all grievances including but not limited to forms, letters, emails, minutes of meetings at which actions arising from grievances/appeals, will be kept for a period of five years. These records will be kept strictly confidential.
- The outcome and reasons of the grievance/appeal will be stored on the student management system and student’s file.
- The complainant shall have appropriate access to these records.
- A complainant shall have access to this internal grievance procedure without charge.
- For academic grievances a complainant may contact Skills Training Australia and speak with the Nursing Training Manager for progress updates at any time.
- For non-academic grievances a complainant may contact Skills Training Australia and speak with the Student Support Officer for progress updates at any time.
