Withdrawal - VET-FEE HELP
Policy and Procedure

Purpose:
The purpose of this policy is to provide information regarding the withdrawal process for VET FEE-HELP eligible students.

This policy should be read in conjunction with P126 Refund – VET FEE-HELP.

Policy:

- If a student withdraws from a VET Unit of Study prior to or on the census date, the student will not incur a VET FEE-HELP debt and any upfront payments made for that unit will be refunded.

- In the event of a student withdrawing from a VET Unit of Study after the census date the student will incur the VET FEE-HELP debt and any upfront payments made will not be refunded for that unit.

If a student withdraws from a VET Unit of Study, Skills Training Australia:

- will not enrol the student in a further VET Unit of Study without the student’s written permission after the withdrawal; and

- will confirm with the student whether the student wishes to continue any enrolment in any other VET Unit of Study forming part of the course.

No barriers to withdrawal
Skills Training Australia has no financial, administrative or other barriers that would result in a student not being able to withdraw from a VET unit of study on or before the census date.

For students wishing to withdraw from a VET Unit of Study or VET Course of Study, Skills Training Australia will ensure that the withdrawal is effective from the time the notification is received.

Should the student wish to re-enrol at a later stage he/she will be required to formally reapply for admission to the course.
